PHYSIOTHERAPY EDUCATION

Call for the recruitment of abstract reviewers

The 2020 Congress of the European Region of WCPT will take place in Leuven, Belgium on the 11th and 12th September 2020 with the theme Physiotherapy Education.

The Scientific Committee is looking for physiotherapists with relevant research and reviewing expertise who can offer their services to review abstracts submitted for presentation at the congress.

The minimum criteria for selection include:

- Being in possession of a Master's degree
- Having research experience
- Having published an abstract
- Having previous experience of a review

If you are interested, kindly complete the online questionnaire by the 10th January 2020 https://www.surveymonkey.com/r/ercongress2020_call_for_reviewers

Each of the abstracts submitted shall be reviewed by two independent reviewers. The number of abstracts sent to the reviewers will depend on their area of expertise and the number of submissions received.

Successful applicants should anticipate receiving notice on the 22nd January 2020. The review process will begin on the **7th February 2020** and all reviews must be completed by the **28th February 2020**.
