

This section is an internal document for the ENPHE governing board and membership. It provides information about membership categories and fees, and it tracks the current membership of the network.

## CATEGORIES

ENPHE is constituted by its members. Membership of the informal network consists of two categories: full members and associate members.

For full membership, ENPHE welcomes all higher education institutions from the European region, which provide at least one three-year higher education degree programme in physiotherapy and which implicitly support the aims and objectives set out by the informal network's strategic statement and statutes. The higher education degree programme and diploma in physiotherapy must be nationally recognised for the entry level. Only members having fully paid their membership fee on time can be acknowledged as full members and obtain voting rights plus eligibility to represent ENPHE in all its organisational structures.

ENPHE associate membership is applicable for institutions not meeting one or more of the criteria mentioned above. The associate membership grants access to the network, its activities and services. However, the associate membership does not grant voting rights in the general assembly. It does not grant eligibility to any positions within the Governing Board and the Coordinators Council. And it does not grant leadership roles within the working groups or organizing an ENPHE conference.

## FEES

ENPHE Full Membership:

- < 100 students: € 200
- 101-300 students: € 250
- 301-500 students: € 300
- > 500 students: € 400

ENPHE Associated Membership:

- All institutions: € 450

ENPHE consists of 161 member organizations representing 34 countries (see last update below).

No.	MEMBER NAME	COUNTRY	FOCAL POINT	STATUS FULL / ASSOC	NOTES
1	FH Campus Wien, University of Applied Sciences, Physiotherapy, Vienna	Austria	Ms. Ursula Eckler	FULL	
2	FH JOANNEUM, Department of Physiotherapy, Graz	Austria		FULL	
3	FH Gesundheitsberufe / University of Applied Sciences for Health Professions, Wels	Austria		FULL
